Are you in favor of amending the Zoning Ordinance as proposed by the Planning Board to prohibit new vape shops by adding the following to Sections 2 & 6:

Add the following definitions to Section 2:

Vaping Device: A product composed of a mouthpiece, a heating element, a battery, and electronic circuits designed or used to deliver any aerosolized or vaporized substance including, but not limited to, nicotine or cannabis. Vaping device may include, but is not limited to hookah, e-cigarette, e-cigar, e-pipe, vape pen, or e-hookah.

E-cigarette: An electronic smoking device composed of a mouthpiece, a heating element, a battery, and electronic circuits that may or may not contain nicotine or e-liquid. This term shall include such devices whether they are manufactured as e-cigarettes, e-cigars, or e-pipes, or under any other product name.

E-liquid: A liquid, oil, or wax product containing, but not limited to, nicotine intended for use in devices used for inhalation.

Add a row to Section 6, Table 1 that designates “shops that sell vaping devices” as *Not Permitted* in all zoning districts.

In regards to vaping devices, the Planning Board adopted the following Findings of Fact on November 7, 2022:

“The US Food & Drug Administration has repeatedly warned of the negative health impacts of vaping. See <https://www.fda.gov/tobacco-products/public-health-education/think-e-cigs-cant-harm-teens-health>.

The Seabrook Planning Board is concerned about some of the health impacts that vaping has on the community’s teenagers. The problem is exacerbated by the recent proliferation of vaping retail operations in Seabrook, owing in part to the community’s proximity to Massachusetts where vaping products are more stringently regulated.

The science that documents these impacts on public health is well established. The American Journal of Preventative Medicine has made much of this research available online: <https://www.sciencedirect.com/journal/american-journal-of-preventive-medicine/vol/56/issue/2/suppl/S1>

NOTE: Accordingly, the Planning Board finds that the establishment of more retail vaping establishments in Seabrook would likely exacerbate the harm to the community’s young people, and for that reason, we believe that further expansion of this industry in Seabrook should be curtailed. Recommended by the Planning Board.

ARTICLE 3

Are you in favor of amending the Zoning Ordinance, as proposed by the Planning Board, by amending Section 2 of the Zoning Ordinance as follows:

The Zoning Ordinance permits the floor area of an Accessory Dwelling Unit (ADU) to be no more than 750 square feet. The Planning Board proposes to raise this limit to 900 square feet.

Should this article be defeated, the default budget shall be Twenty-Nine Million Nine Hundred Fifty-One Thousand Seven Hundred Nine Dollars (\$29,951,709.00) which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. NOTE: An up-to-date Master Plan is a legal prerequisite for a zoning ordinance and associated land use regulations. This article is recommended by the Planning Board.
